BEHAVIORAL HEALTHCARE, INC.

Family Emergency Treatment Center

The Family Emergency Treatment Center (FETC) provides immediate counseling and referral services to individuals who are experiencing a mental health or substance abuse emergency.

Family Interventions

Behavioral Health Screenings

The FETC can also help find other needed services, such as child care, housing and job services.

Whether you walk in or call, you will be greeted by friendly staff who will make you feel comfortable.

Next, you will meet with an experienced counselor who will help you with your problems.

Before you leave, a care manager will assist you with any additional services you might need to continue your journey toward healing.
